Erratum: Diel integration of food quality by *Daphnia*: Luxury consumption by a freshwater planktonic herbivore

Equation (3) in Sterner and Schwalbach (2001) is incorrect. It should have been:

$$g = \ln (\text{mass}_{\text{final}}/\text{mass}_{\text{initial}})/\text{time}$$

Growth rates, g , were calculated with the correct formula and no data, analyses, or conclusions are affected.
