Erratum: Absorption spectral slopes and slope ratios as indicators of molecular weight, source, and photobleaching of chromophoric dissolved organic matter

This paper, published in L&O **53**: 955–969, contains an error. The units for specific ultraviolet absorption (SUVA) in Table 2 are incorrectly labeled “mg C L⁻¹ m⁻¹”; the units should read “L (mg C)⁻¹m⁻¹.” This error does not alter the observations or conclusions of the article. Thanks to Malak Tfaily for bringing this error to our attention.
