### Erratum: Production of chromophoric dissolved organic matter by marine phytoplankton

This paper, published in L&O **55**: 446–454, contains an error in Table 2. The order of magnitude of all values in columns “ $\Delta_{\text{peak-T}}/\bar{B} \times t$ ” and “ $\Delta_{\text{peak-M}}/\bar{B} \times t$ ” should be “ $-4$ ” (i.e.,  $10^{-4}$ ) for all phytoplankton species. This error only affects Table 2; values in the

text are correct. This typographic error does not alter the observations or the conclusions of the article.
